

JANET HOFFMAN

for COUNTY TREASURER

Janet Hoffman

I graduated Texas A&M University – College Station in 1992 with a Bachelor of Science in Mechanical Engineering. I am a licensed engineer in the state of Texas for both Mechanical and Electrical engineering disciplines. I have resided in Galveston for 16 years with my husband of 22 years, Norm Hoffman, PhD, PE and my son, Edward – Senior and daughter Anna – Freshman at Ball High School.

I have worked as a Cost Engineer, Project Engineer, Field Engineer, and Project Manager for large domestic and international corporations. While working as a Cost Engineer, I was responsible for developing \$100M+ budgets, cash flow curves, accounts receivable/payable (Vendor payments), a weekly payroll for over 500 craftsmen, cost projections, budget reconciliations, and budget analysis. I would pay vendors and salaried personnel through wire transfers and paid the craft by checks. I have never been a victim of wire transfer fraud.
