- Serve as Independent Witness regarding "Best Practices" within various security verticals for litigation purposes.

06/2018-06/2021 Texas City Independent School District

*Executive Director of Security and School Safety*

*(June 2018-June 2021)*

Texas City, TX

- To provide the best solutions in school-based security, utilizing technology and research-based tactics to provide support to K-12 administrators, local, state and federal law enforcement and other community stakeholders. Parents should have peace of mind knowing their children are our children when in our care and know there is nothing, we will not do to defend them.

*Major Duties and Responsibilities*

- Develop and implement a district-wide Emergency Action Plan (EAP), to include common Tactics, Techniques and Procedures (TTP) regarding overall security and Emergency Management for TCISD.
- Develop Standard Operating Procedures (SOP) for district wide security systems.
- Develop a District Wide Communications Plan while working with local, state, federal law enforcement partners and when needed military assets. First in the State of Texas to utilize AT&T/FirstNet Priority and Preemption First Responder Communications Platform.
- Establish a very productive relationship with the Texas Education Agency (TEA) and the Region 4 Education Center.
- Work with and develop a formal partnership with the Texas State, Texas School Security Center (TSSC).
- Develop security measures for substitute teachers and maintain consistent training.
- Develop operations and manage Campus Safety Monitors district wide.
- Provide preparation and guidance in the nationally recognized "I Love Guys," Standard Response Protocol (SRP), Emergency Re-Unification System.
- Coordinate with the Galveston County Health District in our Place of Distribution Program (POD).
- When applicable identify grants and author them for the purchase of much-needed safety equipment.
- Assist District Personnel and SLO Staff in overseeing Special Residency Investigations.
- Coordinate Campus Safety Audits in conjunction with the TSSC Guidelines.
- Work with the District's Mental Health Director and Staff in formulating a solid Social Emotional Learning Program (SEL).
- Worked with multiple well-known Emergency Management Software companies in refining their products allowing them to be more efficient within their respective markets. Some recommendations resulted in leading

National Webinars to promote the company's product and explain the proactive approach to why and how the product was improved.

#### Supervisory Responsibilities:

- 4 Administrative Security Staff
- 4 Security Maintenance Technicians
- 19 Galveston County Sheriff's Deputies
- 36 Crossing Guards
- 38 Campus Safety Monitors
- Wrote, implemented and enforced policies and procedures for 1400 staff members

#### Investigative Responsibilities:

- Predict future gang, organized crime, or terrorist activity, using analyses of intelligence data.
- Evaluate records of communications, such as telephone calls, to plot activity and determine the size and location of criminal groups and members.
- Gather and evaluate information, using tools such as aerial photographs, investigative reports and other sensitive information documents.
- Gather intelligence information by field observation, confidential information sources, or public records.
- Operate cameras, radios, or other surveillance equipment to intercept communications or document activities.
- Prepare comprehensive written reports, presentations, maps, or charts based on research, collection, and analysis of intelligence data.
- Develop defense plans or tactics, using intelligence and other information.
- Interview, interrogate, or interact with witnesses or crime suspects to collect human intelligence.
- Compare handwriting samples to determine reasonable suspicion in investigative cases.
- Observe individuals' activities to gather information or compile evidence.

#### Training Responsibilities:

- Develop an annual refresher course using various Behavioral Threat Assessment Models.
- Develop and deploy the Standard Response Protocol and "I Love You Guys" Method.
- Develop a working relationship with the Galveston County Sheriff's Office Training Section to provide our District School Liaison Officer's with the best possible training venues and innovative tactics.
- Coordinate with our Law Enforcement partners across the region in the consistent use of TCISD buildings for training purposes creating an environment our partners are comfortable with and know in the event of an emergency.
- Coordinate tabletop and full-scale exercises for the following scenarios: Active Shooter, Industrial Accidents, Terrorist Attacks, Mass Gatherings, UIL Sporting Events and Weather-Related Emergency/Natural Disasters.
- Coordinate with the Galveston County Health District in our Place of Distribution Program.
- Work with the Texas Commission on Law Enforcement in developing a custom plan to deploy the Marshal Plan at TCISD if approved by the TCISD School Board.

#### Threat Assessment & Behavioral Analysis:

- Work with TCISD Behavioral Sciences Staff and Counselors by evaluating and implementing Social Emotional Learning and Emotional Intelligence Programs.
- Develop Multi-Disciplinary Threat Assessment Teams on each campus and provide guidance based upon the United States Secret Service, National Threat Assessment Center recommendations
- Investigate, decipher and analyze discipline referrals, assaultive behaviors and unusual interests directed towards students, staff and TCISD facilities, establishing patterns of behavior to determine whether a student or staff member was on the "Path to Violence"
- Assign, manage and provide sustained Mental Health Services to students in need of said services with community stakeholders

#### Community Impact and Social Programs:

- Develop a District Wide, Parent/Community Member School Security Committee according to TEA and TSSC Guidelines.
- Develop a District Wide, Parent Mental Health Committee establishing best practices for students with Special Education/504 needs.

- Develop a Parent's on Patrol Volunteer mentoring program designed to provide staff and students with an extra set of eyes and ears keeping in mind positive interaction.
- Work with Community Leaders, Faith Based Leaders of all denominations and local political leaders in helping TCISD set standards for expectations in morals, ethics and values.
